Dear Mr. Pinamonti:

Re: Proposed Moneta No. 2 Annexation  
to the City of Hawthorne

At the meeting held September 1, 1965 the County Boundary Commission reviewed the boundary description and map submitted with your letter filed August 18, for the proposed annexation of territory to the City of Hawthorne

The boundaries submitted conform with record lines and lines of ownership. No island or corridor of unincorporated territory is created by the boundaries. However, this proposed annexation consists of a portion of an existing island of unincorporated territory

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty in accordance with Section 35002 of the Government Code. With these revisions the Commission approved the boundaries for the proposed annexation. A copy of the approved revised legal description and a list of special districts involved are attached.

Very truly yours,
